Dear colleagues and friends,

We have the pleasure to announce you the launch of a new number of our journal: "Ovidius" University Annals of Constanta - Series CIVIL ENGINEERING (2011).

This journal is indexed in *Journal Master List* by **Index Copernicus**. The Romanian National Council for Scientific Research in Higher Education – CNCS- evaluated and included this journal in the category B+ for the year 2011.

You are invited to submit your scientific papers to the following e-mail addresses: cmaftei@univ-ovidius.ro and lucirosu@yahoo.fr until the 12th September 2011.

Please prepare your manuscript in WORD format according to the guidelines provided by our website <http://www.univ-ovidius.ro/revista-constructii/> (*instructions to authors*). The authors of the articles submitted for publication must fill in and sign the form in which they assume responsibility for the paper content and originality. This form can be downloaded from the above mentioned website.

All submitted papers will be under peer review. The notification of acceptance/rejection will be sent one month after the paper submission deadline.

The accepted articles will be published free of charge in the 2011 volume of our journal.

We'll be honoured to receive your contributions on: *Construction Materials and Technology, Structural Engineering, Seismic Engineering, Hydraulics and Fluid Mechanics, Hydraulic Structures, Land Improvement, Irrigation and Drainage, Water Supply, Sewage, Hydrology, Environment Protection, Coastal Engineering, Waterway and Ports, Geotechnical Engineering, Management, GIS Applications, Computational Methods in Civil Engineering*, and other related technical area.

Yours sincerely,

Editor in chief,
Prof.PhD.Eng. Lucica Rosu
