### Education and training

Dates

Jan 1997 – June 1998

Title of qualification awarded

**Doctor of Philosophy** (Physics)

Principal subjects/occupational skills covered

Physics of magnetic materials

Physics of hybrid organic-inorganic materials

Name and type of organisation providing education and training

Ohio State University, Columbus, 43210 OH, USA

Level in national or international classification

[www.osu.edu](http://www.osu.edu)

Second Stage of Tertiary Education, ISCED 6, Field 44

Dates

June 1993 – Dec. 1996

Title of qualification awarded

**Master of Science** (Physics)

Principal subjects/occupational skills covered

Physics of magnetic materials

Name and type of organization providing education and training

Ohio State University, Columbus, 43210 OH, USA

Level in national or international classification

[www.osu.edu](http://www.osu.edu)

Second Stage of Tertiary Education, ISCED 6, Field 44

Dates

Oct. 1985 – June 1990

Title of qualification awarded

**Diploma of Engineer** - Applied physics

Principal subjects/occupational skills covered

Physics and technology of materials

Name and type of organization providing education and training

University of Bucharest, Faculty of Physics, Magurele, Bucharest, Romania

Level in national or international classification

[www.fizica.unibuc.ro](http://www.fizica.unibuc.ro)

First Stage of Tertiary Education ISCED 5A, Field 44

Social skills and competences

- good ability to work in teams, gained through international collaborations;
- good capacity to adapt to multicultural environments, obtained during my extensive studies abroad;
- good communication skills acquired by teaching various classes at university level, by presenting research results at conferences and by advising students as an educational adviser

Technical skills and competences

- able to run advanced scientific instruments for various physics measurements (electric, optical, spectroscopic, magnetic, nuclear measurements)
- familiar with cryogenic and vacuum equipment;
- able to perform advanced statistical data analyses;
